Monsey, NY | 845-587-8977 | [denakrull@gmail.com](mailto:denakrull@gmail.com)

---

## OBJECTIVE

Seeking a software development position where I can further develop my skills and contribute to a real-world project in a meaningful way. I am hardworking, responsible, efficient, and motivated to learn.

## EDUCATION

**Woodmont College/School of Evolving Technologies**

BS Computer Programming and Technology

## TECHNICAL SKILLS

- **Languages:** Java, knowledge of Python, HTML, CSS, JavaScript, React, Angular, Node, Express
- **Databases:** MySQL, MongoDB
- **Tools:** Visual Studio Code, IntelliJ, XAMPP, Git, Jira, Trello

## EXPERIENCE

**2022-present Curbngo** Woodcliff Lake, NJ

QA Engineer

- Tested software before releases and reported bugs to developers.
- Automated orders using NodeJS and mocha.

**2020- 2022 Refuah Health Center** Spring Valley, NY

Medical Billing Associate

- Billed out medical claims to insurance carriers and self-pay patients.
- Posted insurance and patient payments into patient's accounts.
- Enhanced productivity by having reports run and submitting to HRSA uninsured program, a Covid19 relief fund.
- Aided with Covid vaccine appointments and billing.

**2015-2022 Bobbies Place** Monsey, NY

Administrative Assistant

- Assisted with client intake for Non-profit organization that distributes clothing to children in need.
- Increased efficiency by automating client intake processes.
- Managed client database and phone/appointment system.
